Y2K Greetings,

Has it all sunk in yet or is it still somewhat hard to believe? We have made the journey and it is now the 21st century. As a young student at White River, I remember thinking how far off the year 2000 was, and if it was even reachable. Well now here we are, so Happy 21st Century! As I sit here today and process this letter, winter has returned to Mellette Co. Up until this time we have had an unbelievably mild fall and winter. As most of you realize this is a welcome change for this part of the country.

This newsletter serves as a yearly update and link to your alma mater White River High. Our efforts here continue to be focused on the upcoming "Reunion 2000" weekend. In early April you will receive a communication that will serve as your formal invitation to the reunion 2000. Please take time to respond to that invitation as it will require an RSVP. This letter will contain information about the Saturday evening banquet, other meals, souvenirs, school open house, registration and entertainment. Sounds like fun doesn't it?

The reunion committee has worked hard to raise awareness of the reunion. Chili cook off, Frontier Days float, reunion logo contest, and raffles are a few of the activities we have sponsored. My concern remains that we have not reached all alumni. In that effort, I would ask again for your help. If you are aware of fellow students or teachers that have not received any of our letters, please inform them of the upcoming reunion and urge them to contact us immediately.

I look forward to seeing you in July 2000!

Greetings from the Board of Education

The White River Board of Education would like to express it's support for the upcoming "Reunion 2000". We hope to see as many of our friends and alumni as possible come for this big event. There have been many changes and improvements over the years. We have tried to update and keep up with technology and have provided modern, updated facilities for all students.

See you in July 2000!

Fred R. Egleston, Board Chairman
